Survey Analysis

Poland's Visit Results

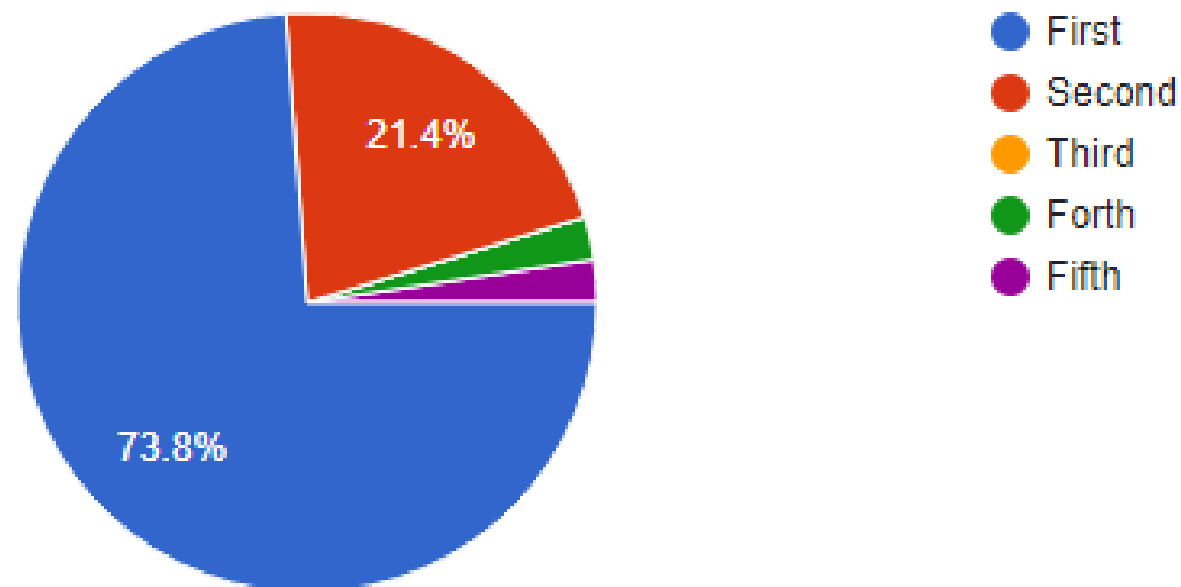

1) Which country do you represent in the Erasmus Plus project "STEAM"?

42 responses

2) Order of short-term exchange mobility:

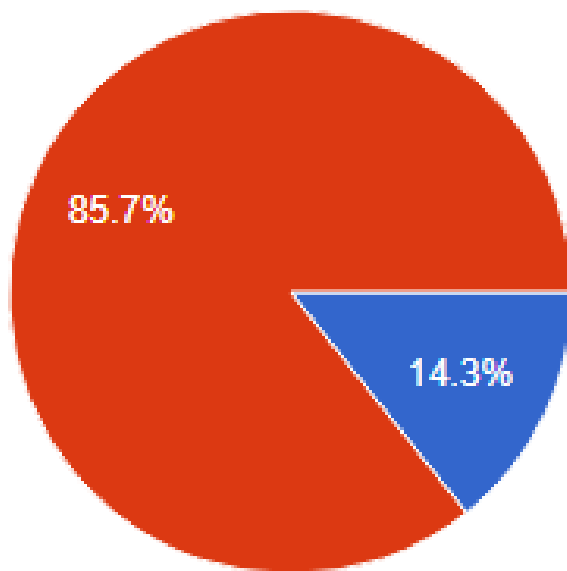

42 responses

3) Gender:

42 responses

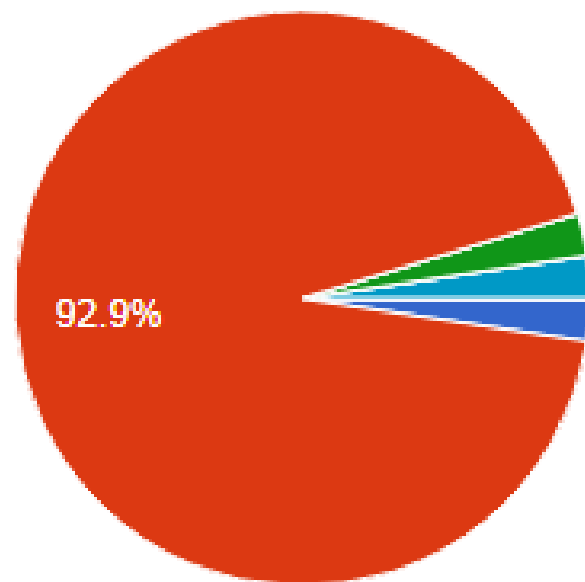

- Male
- Female

4) Age

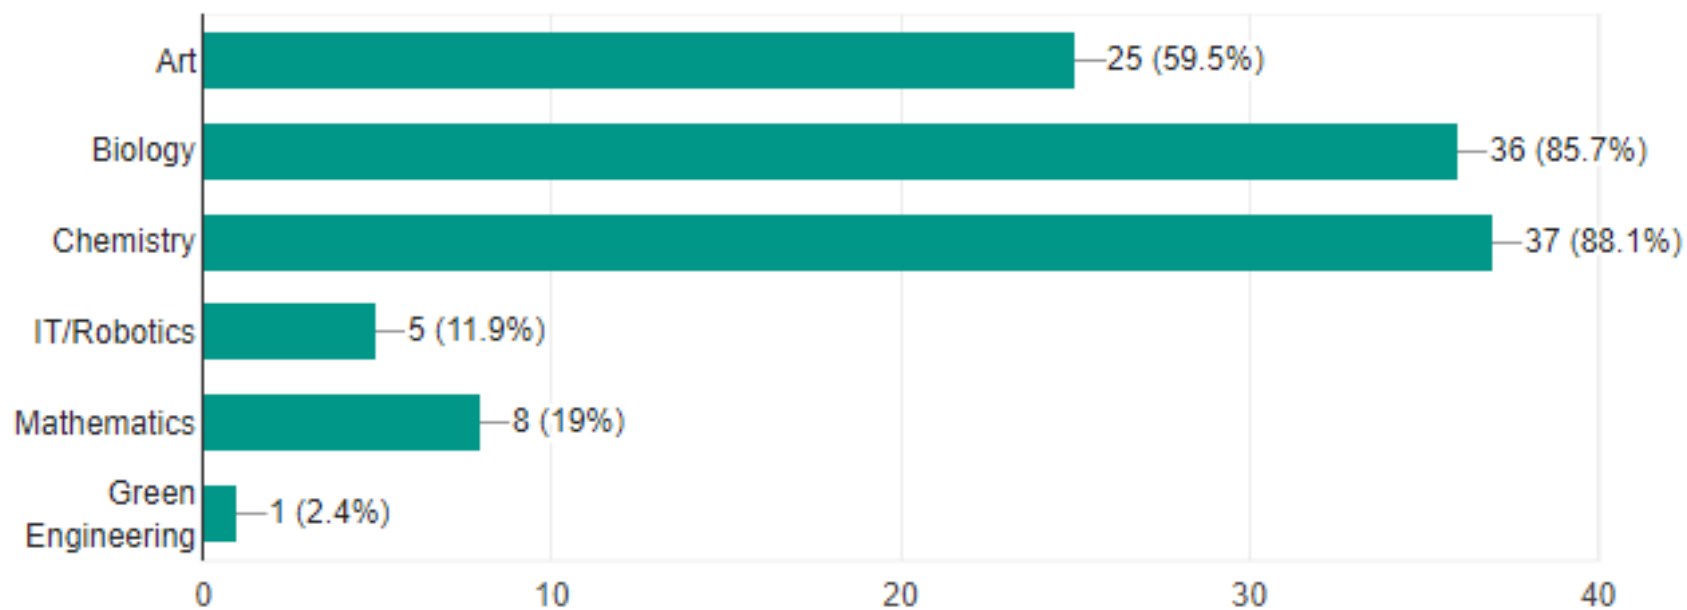

42 responses

- 10-15
- 16-20
- 21-30
- 31-40
- 41-50
- 51-60
- 61-70

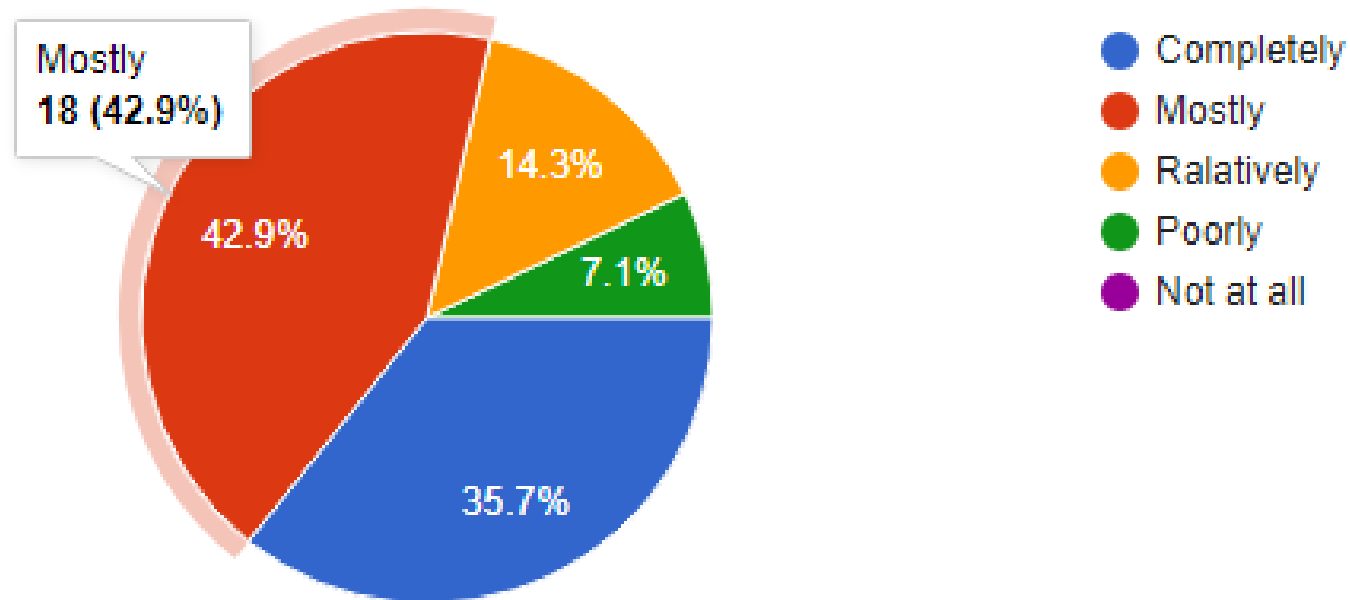

5) What were the targets of the short-term exchange?

42 responses

6) Did you understand the targets of the short-term exchange?

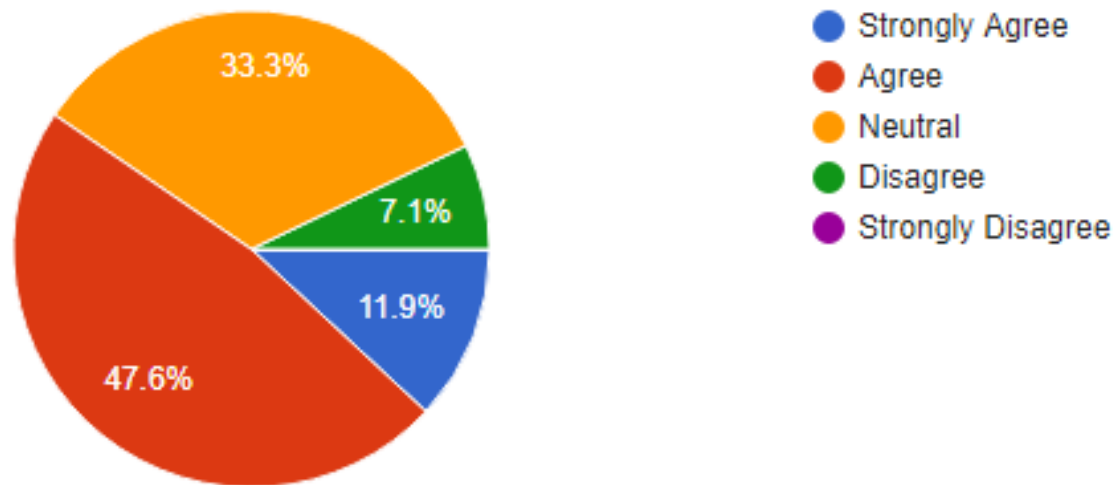

42 responses

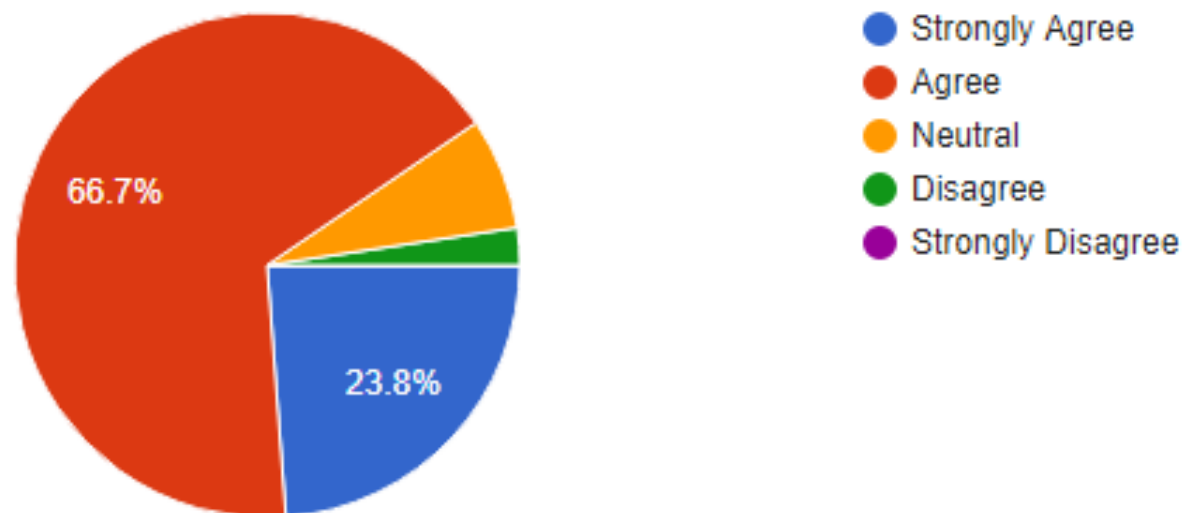

7) Do you think that the targets of the short-term exchange were met?

42 responses

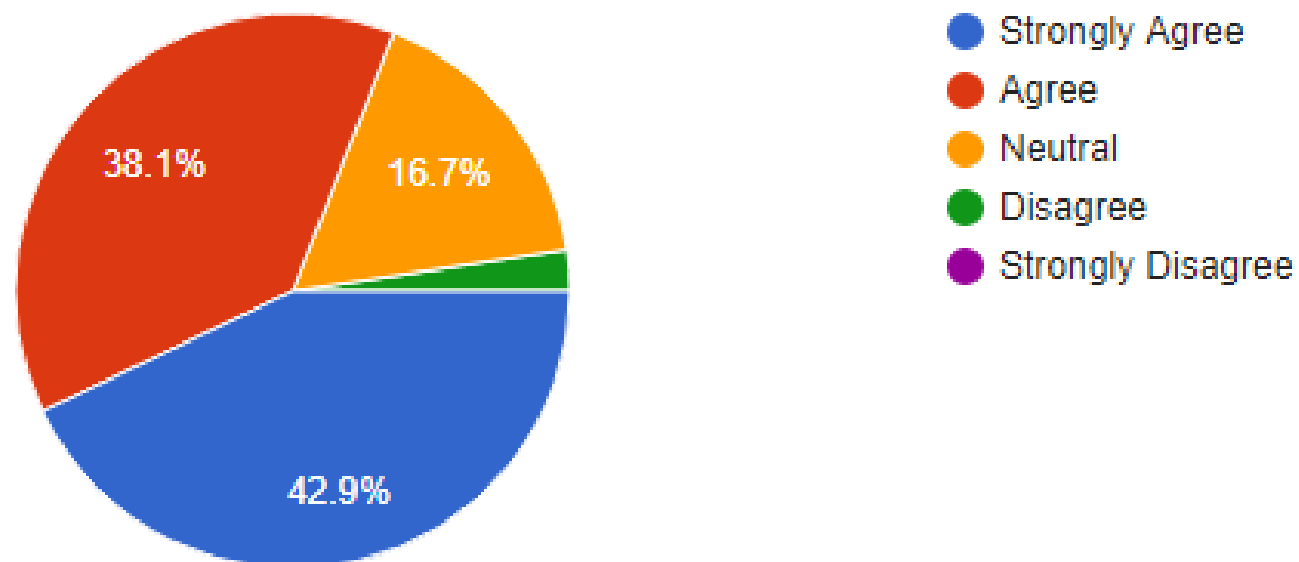

8) Do you believe you have developed or improved you communication skills?

42 responses

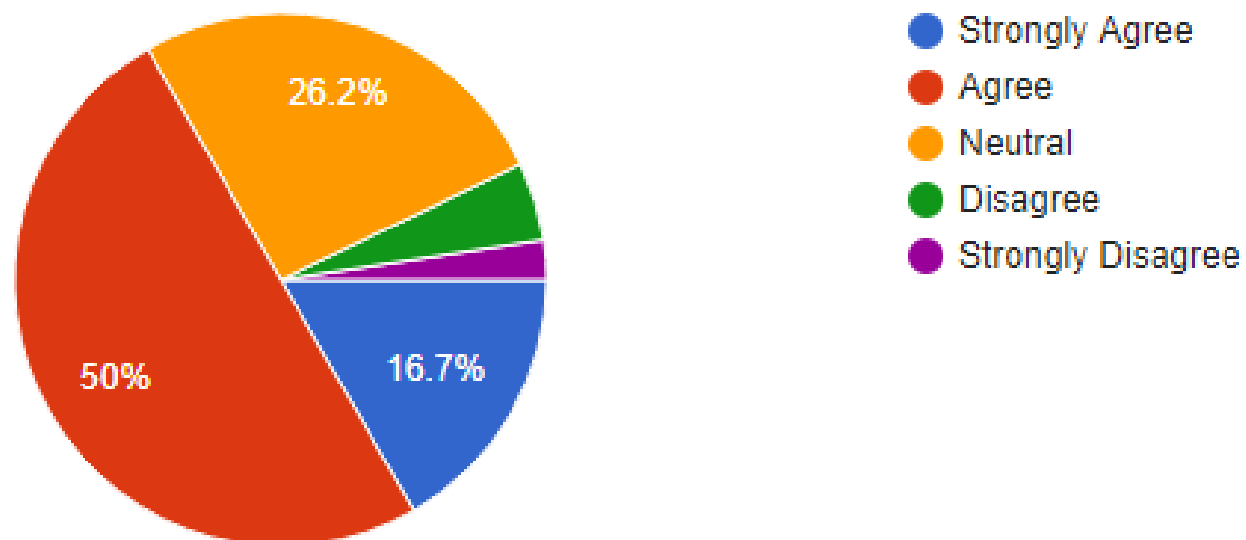

9) Did you manage to socially integrate with the students involved in the short-term exchange?

42 responses

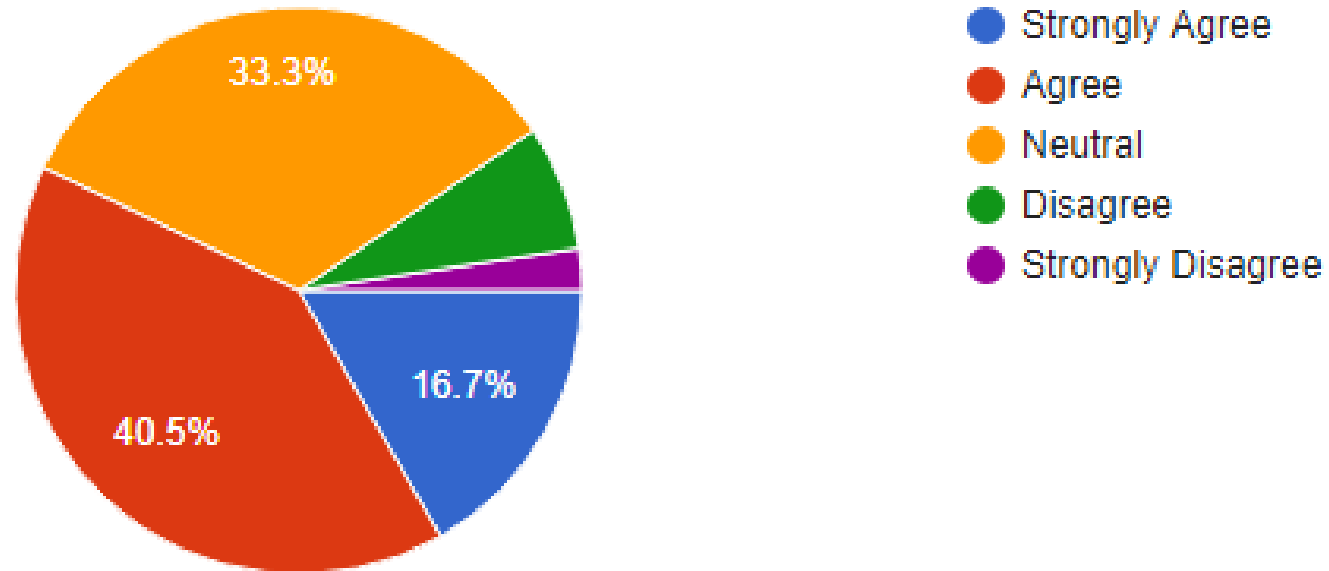

10) Were the project's activities beneficial and met the purposes of the mobility?

42 responses

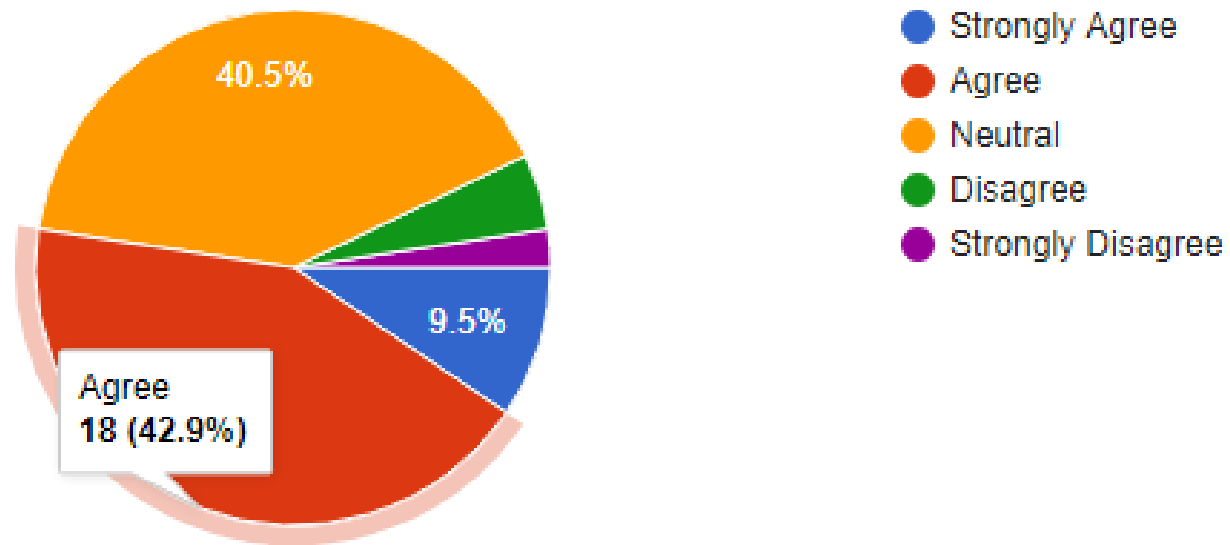

11) Were the workshops beneficial and met their targets?

42 responses

12) Did you manage to improve your skills and knowledge on the topics studied at the mobility?

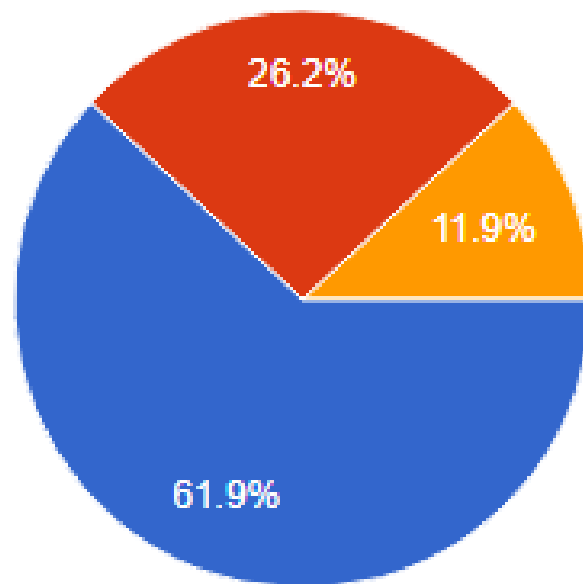

42 responses

13) Please rate your hosting family

42 responses

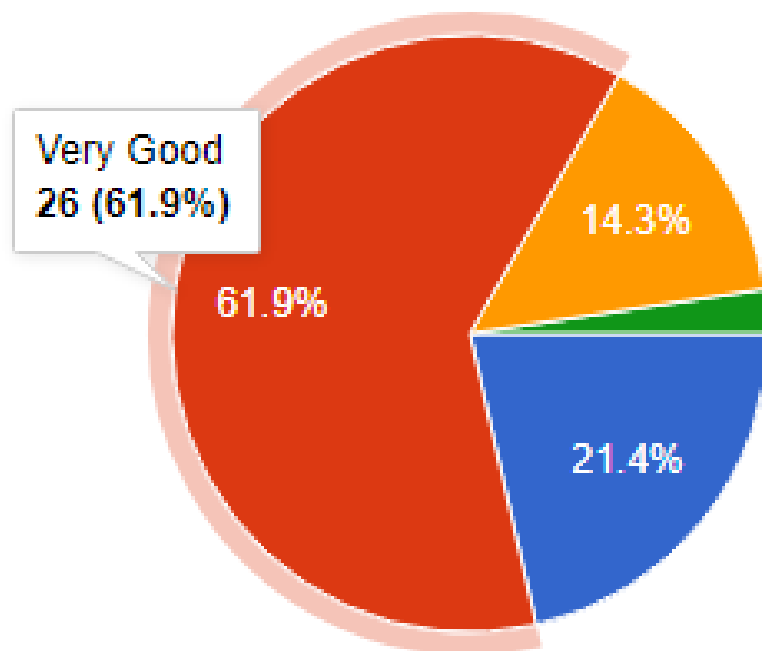

- Excellent
- Very Good
- Good
- Poor

14) Please rate the overall project

42 responses

- Excellent
- Very Good
- Good
- Poor

15) Any suggestions that you would like to share with us?

4 responses

No suggestions

I'd suggest filling the time with more visually striking science experiments

I would definitely work on time organisation, because it was awful. The teachers seemed busy drinking tea and wasting our time. The best time we had was after the organised activities (especially the ones at school), since they were everything but interesting. Apart from that, the exchange was quite nice.

More interesting topics, better timer management
